

CD5-1316

CD5-1316

Smallest Heavy-Duty Cash Drawer, Perfect for Space-Sensitive Cash Wraps

The CD5-1316 cash drawer combines robust security with an ultra-compact design, making it the smallest heavy-duty cash drawer on the market. Ideal for space-sensitive environments, this all-steel cash drawer is engineered for retailers who need reliable performance without sacrificing counter space. With options for a standard DK interface or a dual DK and USB configuration, the CD5-1316 offers versatile connectivity for compatibility with any POS system. Available in sleek black, it delivers durability and style in equal measure.

Features:

- 13" Smallest heavy-duty cash drawer, perfect for space-sensitive setups. 4 Bill - 4 Coin
- All-steel construction for long-lasting durability
- Interface options: printer driven or printer driven + USB
- Available in black finish
- Good for small retailers, boutiques, and mPOS setups
- Backed by a 5-year warranty for long-term reliability
